

Shashikala M Hiremath

B.Tech Student | Aspiring Software Developer
shashikalamh07@gmail.com | GitHub: shashikalamh07-svg

CAREER OBJECTIVE

Motivated B.Tech student with an interest in programming and web development. Looking to strengthen technical skills through practical projects and contribute to software development opportunities while continuously learning new technologies.

EDUCATION

Degree	University	Status
Bachelor of Technology (B.Tech)	Visvesvaraya Technological University (VTU)	Currently Pursuing

TECHNICAL SKILLS

- HTML5 and semantic web page structure
- CSS3, responsive design, Flexbox and Grid
- JavaScript fundamentals and interactive web features
- Java, Python and C programming fundamentals
- Git and GitHub for project management and version control

PROJECTS

Personal Portfolio Website — Built a responsive portfolio using HTML, CSS and JavaScript with mobile navigation, dark/light mode, scroll animations, form validation and smooth scrolling.

Responsive Web Design — Created responsive layouts using CSS Flexbox, Grid, media queries, cards and modern UI styling.

Programming Practice — Worked on programming exercises in Java, Python and C to improve logic building and problem-solving skills.

INTERNSHIP / LEARNING

Completed structured web development learning activities covering responsive design, JavaScript features, projects and portfolio development.

STRENGTHS

Quick learner • Problem solving • Teamwork • Adaptability • Willingness to learn new technologies
